To Whom It May Concern:

You have been approved to complete the online Marriage Preparation Program "Living our Faith in Love", offered by The Marriage Group at:

<https://lofil.advancedministries.com/register/>

Here are a few highlights about the online PreCana, [Living Our Faith in Love](#):

- The cost of the program is approximate \$300.00 and must be paid online. Although approved by the Archdiocese of St. John's, this program is not administered by our office and as such, any questions or technical issues must be addressed by calling 810-957-1550.
- At registration a "couple's account" will be created. Both the bride and groom will login with the same username and password, working through the class together or separately, whichever is suitable for your situation
- The 'Discussion Guide' is to be downloaded first. The bride and groom will each receive their own worksheets to work through as they complete the program
- In total, it takes about 8 hours to complete the course. The program is available entirely online and on-demand
- Once you have successfully completed all of the program elements, you will be able to immediately download a Certificate of Completion, which you must present to the Priest who will perform the marriage.

All the very best to you as you complete this course.
